مدرسة الصادق الإسلامية النموذجية

Mission Statement:

Our mission is to cultivate, lead, and inspire world-class, innovative thinkers and expert communicators through a focus on the relationship between educator and student built around challenging, meaningful, and engaging curriculum in an Islamic Environment enabling them to become healthy productive Muslim Canadian citizens.

More about As-Sadiq Islamic High School

As-Sadiq Islamic School has established objectives to ensure that each student has the maximum opportunity to learn. The achievement of these objectives depends upon the shared responsibilities of students, teachers and parents.

- ❖ To provide the tradition of excellence in academics, personal growth
- ❖ To develop a feeling of self worth through accomplishments, discipline and respect for oneself and others.
- ❖ To encourage self-motivation so that students take a responsible role in their own education.
- ❖ To create a positive learning environment through shared responsibility of teachers, students and parents.
- ❖ To prepare students for the world of work by developing productivity, punctuality and pride in work.
- ❖ Instilling sound knowledge of the Islamic Faith and foster characteristics that will enable them to be prepared to face life's challenges as self-confident, strong and caring Muslim Canadian citizens.

- Students should be aware of the requirements set by post-secondary institutions (College/University) and/or employers before selecting course types and optional courses.
- Students should consult with their parents, teachers and guidance counselors to select the proper course types and optional courses that will prepare them for their future pathways.
